Fascisti have established military headquarters at Perugia, where it was reported there was every indication the "Black Shirts" were planning a march on Rome. Gen. The prefect was ordered to give up his keys to the insurgents. All telephone and telegraph wires were seized.

ATACKS MELLON'S  
OIL 'CUT' RULING  
Representative Frear, of Wisconsin, is keeping up a running barrage of letters to Secretary Mellon, asking him to take action yesterday in connection with the 400 percent stock dividend of the Standard Oil Company of New Jersey.

"The purpose of issuing stock dividends would payment of individual shareholders will never be more fully granted," he said, "as a protest against the antiquated notion that 'nice people don't' that's bunk. Plain old-fashioned hokum. Why, as a matter of fact, our great-grandmothers of frontier times smoked corn pipes. We're only a reversion to the past, we're a little daintier about it."

QUIT WELLESLEY  
BOSTON, Mass. Oct. 29.—When it comes to a question of quitting cigarettes or quitting Wellesley College, Billie Rose, of Barre, Vt., and Jean Roth, of Stamford, Conn., elected to leave Wellesley flat.

"We're resigning," they said, "as a protest against the antiquated notion that 'nice people don't' that's bunk. Plain old-fashioned hokum. Why, as a matter of fact, our great-grandmothers of frontier times smoked corn pipes. We're only a reversion to the past, we're a little daintier about it."
